N. CHANNAPPA, Esq., B.A., B.L.,
President, District Board,
Tumkur District, TUMKUR.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.
(Through, the Deputy Commissioner, Tumkur District, Tumkur.)

Sir,

Establishment of a weekly shandy at Neralakere, Midigesi Hobli, Madhugiri Taluk.

I have the honour to state that the Chairman, Village Panchayet of Neralakere in his report dated 11-5-45, while forwarding a copy of the resolution passed by the Village Panchayet at their meeting held on 10-5-45, has stated that there are no shandies within a radius of 10 to 12 miles from this village, and has requested for the establishment of a shandy to be held on every Tuesday at the place.

This subject was placed before the District Board at their meeting held on 4-10-45, and it was resolved that objections might be called for, for holding the shandy.

Accordingly, objections were called for by publishing a notification L.F.3.P.R.39/45-46 dated 10-10-45 in Mysore Kannada Gazette in its issue dated 25-10-45 fixing 24-11-45 as the last date for receiving objections. No objections were received.

The subject was again placed before the District Board at their meeting held on 5/6-4-46 and it was also put before the Board that there were no objections. They have resolved that a weekly shandy might be held on every Tuesday at Neralakere, Midigesi Hobli, Madhugiri Taluk. In this connection I wish to state that this village is at a distance of 10 miles from Madhugiri, 7 miles from Midigesi and 3 miles from Hosakere and is centrally situated to all the surrounding villages. The population of the village is 1,293 and in the interest of the Rural Public a weekly shandy is quite necessary to be established at the place to afford facilities for purchase of sundry articles.

P.T.O.

As regards shade and water facilities, the shandy is proposed to be held in survey No.167 (topo) which is very near the village and Hosakere road, containing about 20 shandy trees with a convenience of two big wells in the adjacent survey numbers. The village Panchayet of the place and the owners of the lands, Messers Anantha Setty and Rangaiah Setty, have given a written statement before the Range Sanitary Inspector, Madhugiri on 23-5-46, that they are willing to hand over the said land to the District Board for the purpose, on condition that they might be allowed to take the manure collected in the shandy ground.

I, therefore, request you to kindly obtain sanction of Government for the resolution of the District Board to establishmx a weekly shandy at Neralakere, Madhugiri Taluk, on every Tuesday. Copies of the resolutions dated 4-10-45 and 5/6-4-46 together with a notification dated 10-10-45 and a sketch where the shandy is proposed to be held, are herein enclosed for favour of information and ready reference.
